We are looking for volunteers to collect non perishable food and living essentials on Saturday 6<sup>th</sup> November. We can **ONLY** collect in streets with a registered volunteer, usually a resident living in the street or nearby. Volunteers commit to a single month at a time so the streets taking part vary. Leaflets are provided to post the week prior to let your neighbours know you will be collecting in your street. To find out more:

[tinonawall@gmail.com](mailto:tinonawall@gmail.com)

First collection North Tyneside July 2020, Newcastle May 2021. Details correct at printing July 2021. Food donated after collection time will be passed on to groups we support. TOAW allocate distribution based upon volunteer participation and work collectively with all charities and groups to identify local shortages and increased demand. Smaller groups may be added if volume exceeds expectations nearer the event, all communicated via Facebook.
